

St Albans, Hertford and Bedford Area

## Regional Festal Evensong

Dunstable Priory Church of St Peter, Bedfordshire

**Sunday 26th July 2009**, 3.00 pm for 6.30 pm service

This event, another in our popular series of Regional Area Evensongs, will be conducted by **Marie Price** (RSCM Area Education and Training Officer) and accompanied by **Martin Hart** (Assistant Director of Music at Dunstable Priory and Director of the Priory Girls Choir).

We will be visiting **Dunstable Priory Church**, a large and impressive building which is the nave of all that remains of an originally much larger Augustinian Priory Church. It is one of the best examples of Norman Architecture in England. Much of the front was destroyed in a storm shortly after building was completed. Dunstable lies at the crossroads of two ancient routes, the Icknield Way and the Roman Watling Street. The three manual organ was built by Norman & Beard in 1911, renovated in 1985 by Brian Bunting and was recently updated with a new piston capture system.

Check in is from 3 pm for the rehearsal starting at 3.30. Light refreshments will be served before the service.

We hope you will already have most of the music in your library, but all is available for free download via the local website [www.rscm-stalbans.co.uk](http://www.rscm-stalbans.co.uk). Psalms and hymns will be available on the day.

**Introit** : Heilig, Heilig, Heilig – Schubert (from Deutsche Messe)

**Responses**: Smith 5 part

**Canticles**: Walmisley in d minor

**Anthem**: Greater love – Ireland

The fee payable for this event is £5 per chorister (£3 concessions) and cheques should be made out to '**RSCM Diocese of St. Albans**'. The closing date is **Monday 13 July 2009**.

## Location Information

**Dunstable Priory Church of St Peter, Church Close, Church Street, Dunstable LU5 4RU.**

Visit [www.google.co.uk/maps](http://www.google.co.uk/maps) and type LU5 4RU into the search box at the top of the page. The 'pop-up' box which appears in the middle of the map allows you to get directions from your own specified location. You can also zoom in and click on the 'satellite' or 'hybrid' options in the top right corner of the map to see detailed aerial photographic views. There is a large car park which is free on Sundays.
